Dear Ms. Tuma:

On May 10, 2007, a complaint investigation survey was conducted at Curry Retirement Estate. The survey was conducted by Polly Watt-Geier, MSW and Debra Sholley, LSW. This report outlines the findings of our investigation.

Complaint # ID00002265

Allegation #1: The facility did not complete criminal background checks on employees.

Findings: Review of the facility's March 2007 as worked scheduled revealed the facility had 5 current employees. Review of the five employee records revealed all current employees had a criminal background check completed.

On May 10, 2007 at 10:11 a.m., the house manager confirmed that all current employees working at the facility had criminal background checks completed.

Conclusion: Unsubstantiated. Although it may have occurred, it could not be determined during the complaint investigation.

As no deficiencies were cited as a result of our investigation, no response is necessary to this report. Thank you to you and your staff for the courtesies extended to us on our visit.

Sincerely,

POLLY WATT-GEIER, MSW
